MEET THE EDITORS

RESEARCH IN SCIENCE & TECHNOLOGICAL EDUCATION

Introducing our editorial team

Taylor & Francis
Taylor & Francis Group

EDITORS

CHRIS HARRISON

King's College London, UK

RESEARCH INTERESTS

Formative assessment · Inquiry-based learning
Teacher development · Collaborative action research

WONYONG PARK

University of Southampton, UK

RESEARCH INTERESTS

Nature of science · Assessment
Disaster education · Social justice

SENIOR ASSOCIATE EDITOR

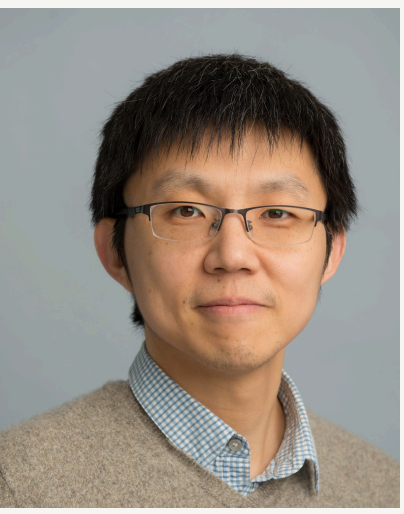

JACK PUN

The Chinese University
of Hong Kong, Hong Kong

RESEARCH INTERESTS

English-medium instruction · Disciplinary literacy
Classroom discourse · Multimodal learning

ASSOCIATE EDITORS

GUOPENG FU

East China Normal University, China

RESEARCH INTERESTS

Teacher agency · Curriculum reform
Teacher education · Student agency

SOO WON SHIM

Illinois State University, USA

RESEARCH INTERESTS

Empathic engineering design
Culturally responsive pedagogy
Cross-cultural STEM · AI in STEM education

ASSOCIATE EDITORS

AIK LING TAN

Nanyang Technological University, Singapore

RESEARCH INTERESTS

Inquiry-based learning · Teacher development
Classroom interaction · STEM learning

TANG WEE TEO

Nanyang Technological University, Singapore

RESEARCH INTERESTS

Equity in STEM · Gender in STEM
Inclusive education · Integrated STEM

ASSOCIATE EDITORS

RADU BOGDAN TOMA

University of Burgos, Spain

RESEARCH INTERESTS

Integrated STEM · Science attitudes and motivation
Nature of science · Educational robotics

EZGI YESILYURT

Utah State University, USA

RESEARCH INTERESTS

AI literacy · Nature of engineering
Integrated STEM · Teacher learning
